## Cubmaster Notes:

We would first like to tell everyone we have a great year of scouting ahead. The only way to ensure that you don't miss any of the excitement is to read this newsletter. It is packed full of FUN for the kids and FUN for the adults and FUN for the leaders. Please read up on the fun ahead. A theme for this newsletter is READ IT. This is the information for upcoming events and it will also be posted on our website. For the new Tiger scouts, if you have any questions please call the new tiger leaders. Their names and numbers are to the left, under contacts.

I think that covers everything:

Read the newsletter

Come to the activities

Any questions call your leaders

Have FUN

And Read the newsletter.

We look forward to a Great Scoutorious year!

## Are you ready for a great year of scouting?

Here we go.....

### Event Details...

**Brimfest Parade** – Sat. Sept. 13<sup>th</sup> - Scouts need to wear their uniforms and meet at 10:00 a.m. at Karg Industrial Parkway. Anyone who would like to bring a bag of candy to throw may do so. We will need volunteers to walk with the float and pass out handouts to the crowd.

Parents can pick up their kids at the Brimfield Plaza where the parade ends.

**“Go for the Gold” Campout** – Fri, Sept. 19<sup>th</sup> – Edson Rd. Park.

This is a family campout with an Olympic theme.

Bring your tent & camping gear...start arriving around 5:00 p.m. to set up and at 6:00 p.m. dinner will be served. The pack will provide hot dogs and if you are a Tiger or Wolf please bring a dessert to share, and if you are a Bear or Webelo please bring a side dish to share. Each den is planning a game to play and a skit to perform around the bon fire.

We will be needing firewood, shovels, & water buckets, if you can supply any of these things it would be appreciated.

Welcome New Tiger Den #2....

We have 2 new co-leaders for the Tiger Den and 8 new Tiger Scouts. Welcome to Pack 3259. Tim and Bob will be leading this new den, so we want to wish them a great year in scouting! We look forward to seeing you at all the pack meetings.

### Uniform Inspections...

Check your uniform and be sure you have the following requirements...

Scout Shirt with correct patches.

Neckerchief & Slide

Hat (optional)

We would like to start conducting Inspections.

Don't forget to  
"DO YOUR BEST"

## A Big Thank you

We would like to thank Genevieve Adelman for volunteering to be our Pack photographer!! If you see her with a camera, be sure to smile big, so we can capture some great pictures.

We will be posting pictures on our website, so if there is anyone who does not want their child's picture on the website, please let us know...however for safety, we will not be posting names of who is pictured, this is a rule set by the Boy Scouts of America.

### We are getting set for the new year...

Den Leaders are in the process of setting up schedules and times for all of your den meetings. If you have any questions please be sure to contact them.

We are also still looking for a new Pack Secretary. This person would take notes at committee meetings and help with the newsletter and paperwork.

### Websites...

Don't forget to visit our website, [www.brimfieldcubscouts.com](http://www.brimfieldcubscouts.com) we are always making changes...

Great Trail Council Website [www.gtcbasa.org](http://www.gtcbasa.org)

And our Seneca district has a brand new website, check it out [www.senecadistrict.org](http://www.senecadistrict.org)

## Congratulations...

First, we would like to congratulate Nathan Winters and Landon Westover our Webelo 1 scouts. Their baseball team won the State Championship!!! That is terrific. Way to go boys. We are proud of you.

Secondly, to Allyson Westover, our very own committee chair, she will be a co-program director for the Seneca District day camp next year. Good luck at your new position.

### SAVE YOUR ALUMINUM CANS...

Scouts you can do your part by saving aluminum cans. Bag them up and bring them to any pack meeting, this will help you earn a recycling patch.
